What will your legacy be?

Framlingham
COLLEGE

A BOARDING & DAY SCHOOL
BOYS & GIRLS AGED 3-18

What will your legacy be?

An introduction by the Principal, Louise North

The history of Framlingham College is, in many ways, a tale of generosity and kindness. Its origins reflect the gratitude of Queen Victoria for her husband's life, and its continuing existence reflects, to some extent, the efforts of fundraisers and donors over the years.

For example, the Senior School sits in 75 acres of land that also encompasses Framlingham Castle, all of which was generously donated by Pembroke College, Cambridge. Our Prep School, nestling in 27 acres of meadow land on the banks of the Deben, was bought by the Society of Old Framlinghamians to remember those who fell in the two World Wars.

Our benefactors continue to support the school through donations and legacies, allowing us to create bursary funds and to help finance major building projects. Indeed, their generosity is a vital part of our efforts to ensure that future generations of boys and girls have even better opportunities than their predecessors at the school.

Framlingham College is a recognised charity and you can support the School through making gifts and legacies and this can be done in tax efficient ways.

Louise North
Principal, Framlingham College

I have just retired at 75, and anything I have achieved in life I owe to the start I was given at Framlingham, and I have been happy to do what I can to repay that debt.

JIM BUTCHART
OLD FRAMLINGHAMIAN

The 1864 Club

We have done something very special for all those young people to help turn them into the outstanding individuals they are at 25, 30 and, no doubt, for life and this is what makes the whole College such a fine place.

ANDREW FANE OBE

FORMER CHAIRMAN OF GOVERNORS, FRAMLINGHAM COLLEGE

Framlingham College was founded in 1864 and the aptly named 1864 Club was formed to recognise and thank major benefactors, during their lifetimes, who generously give gifts and/or who indicate that they are leaving a legacy to Framlingham College. It is through such generosity that we can ensure that the College remains at the forefront of education for future generations of Old Framlinghamians. Every donation and every pledge, no matter how large or how small, will make a difference.

Members of the 1864 Club will receive regular communication so that they are updated on how the schools is progressing. They will also be invited to attend selected school functions and events throughout the year. In addition they will be invited to attend the annual Benefactors lunch, which is held to thank people for making contributions that go towards bursaries, scholarships and future projects.

If you would like to learn more about the 1864 Club please feel free to contact Martin Myers-Allen, Development Director, on 07917 248657 or at mmyers-allen@framlinghamcollege.co.uk.

Legacies and Donations

For six years, in many respects, Framlingham was my home and the academic grounding there, the all-round education and most importantly the sport had a huge influence on the rest of my life. For this I am forever thankful.

NORMAN MAYHEW
OLD FRAMLINGHAMIAN

A) MAKING YOUR LEGACIES

If you are thinking about making a legacy, or have already made one and you would like to learn more, please feel free to contact Martin Myers-Allen, Development Director, on 07917 248657 or at mmyers-allen@framlinghamcollege.co.uk.

This will be a good opportunity to ask any questions and discuss how your legacy will be used and how your gift can be recognised. The following steps detail how simple is to support the future of the College so that generations of future children can benefit from coming to the school.

1. Decide on the type of legacy

You can leave a variety of gifts in your will:

A share of your estate - After you have provided for your loved ones, you can leave a share of what remains to charity. This is known as a 'residuary gift'.

A cash gift - This is when you leave an exact sum of money to us. It's known as a 'pecuniary gift'.

A specific gift - Which can be anything from musical instruments to antique jewellery.

2. Send us a pledge form

If you have included Framlingham College in your will, or intend to do so, we would be grateful if you could complete a pledge form. This is not legally binding, but it will help with the College's long term planning. Importantly, it will also enable us to thank you properly for your gift during your lifetime.

3. Inform your solicitor

If this is your first will your solicitor can express your wishes in a paragraph in your will. If you already have a will your solicitor can update it by codicil.

4. Confirmation and recognition

Once we have received your pledge form we will be in touch to thank you and confirm how your legacy will be used and how we can recognise you for your generosity. There will also be an opportunity to discuss possible membership of the 1864 Club.

B) GIFT AID

Donors can make payments, large or small, regular or one-off to Framlingham College under Gift Aid.

You can make every £1 you give worth 25p more, just by telling us. This is because the government's Gift Aid scheme allows the College to reclaim tax you have paid on any of your donations. This means that you can make an even bigger difference at no extra cost to you.

Higher rate of tax – Donors who are liable to pay the higher rate of income tax can claim the difference, currently 20% [40% – 20%] on the grossed up donation in their annual tax return.

One Off Giving – A commitment is made to make a one off gift to the Foundation.

Regular giving – A commitment is undertaken to make annual, quarterly or monthly payments for an agreed period of time.

Once we have received your Gift Aid From I will be in touch to thank you. There will also be an opportunity to discuss possible membership of the 1864 Club.

We entreat the College to continue to educate broadly, care tenderly, and send out well-rounded, good citizens into the world, and we need to support that effort whenever possible.

CHRIS SHAW and MIKE GARNETT
OLD FRAMLINGHAMIANs

I am very proud that our family relationship spans over 100 years of College life. I feel I was very privileged that my father chose the College for my education. I am fortunate that I am now in a position to support the College both financially and by attending the various functions.
