

## **Personal Appearance**

Pupils are expected to present a good impression at all times and their clothing, behaviour and demeanour are important ingredients in achieving this. In the Sixth Form, pupils are encouraged to develop a greater sense of personal responsibility and are therefore permitted to wear a formal business suit of their choice. The overall impression must be smart and modest. The College reserves the right to interpret what is and is not appropriate uniform. Pupils not dressed appropriately during the formal part of the day will be sent back to House to change.

The prescribed uniform must be worn by all pupils during the formal part of each working day (weekdays: 08:15 - 15:55, Saturday: 08:15 - 14:15/after games) and when representing the College away from school on sporting fixtures or at official functions.

The following list specifies required games clothing and ancillary equipment. The number of items is the mandatory minimum for boarding students; these numbers have been established to match College laundering schedules and thereby ensure that required standards of appearance can be maintained. Day students must have sufficient of each item to achieve the same objective. The College reserves the right to purchase items for students and recharge the cost to parents if they do not have the necessary number, or if replacement of items is necessary in term time. Prescribed games clothing must be worn for all games periods, PE lessons and when participating in school matches. Games clothing must be laundered regularly.
