Behaviour Policy

At Framlingham College we believe that any breach of good manners or of common sense is a breach of school rules as also is any action which may lower the College's good name. Good discipline prevails when each child brings into school the manners and behaviour he or she may be presumed to practise at home.

Rules and Expectations are written for pupils so that they may know what to do and what not to do in matters such as behaviour, work, whereabouts and organisation. Meeting these expectations requires more than staying within the rules; it requires pupils to learn the best ways of enjoying their life and work at Framlingham College, and applying them as consistently as they can.

The Principal and the staff manage the school according to the Rules and Expectations, as well as other policies, which are not printed here but can be obtained from the Senior Deputy Head. The Principal has ultimate responsibility for and authority over every aspect of the College, including the upholding of the Rules and Expectations. The Principal may suspend or exclude pupils whom are deemed to have been in serious breach of the letter or spirit of the Rules and Expectations.

1. INTRODUCTION

- 1.1** The College is a community whose purpose is to educate pupils and give them opportunities to experience a broad range of activities and interests. The Rules and Expectations set out the boundaries within which the College community operates.
- 1.2** Pupils are responsible for knowing and respecting the Senior School Rules and Expectations. Tutors are responsible for ensuring that new pupils are made aware of them and teaching staff for applying them fairly and proportionately.
- 1.3** Framlingham College pupils are subject to school Rules and Expectations at any time when they are at school or engaged in an activity organised by the College. It is important for pupils to appreciate that the College is responsible for their safety and welfare while at school. The Rules and Expectations are therefore framed so that pupils cooperate with the College in carrying out this responsibility.
- 1.4** School rules cannot cover all contingencies, but the following rules and expectations apply in order to maintain a safe, well ordered and civilised environment.
- 1.5** Pupils should also be aware of House rules, directed specifically at maintaining good order within the houses.

2. PUPIL REGISTRATION, LEAVE OF ABSENCE

- 2.1** Pupils register in houses at the start of each day; day pupils in houses also at lunchtime, and boarders in houses in the evening.
- 2.2** Pupils should remain on site during school hours unless they have the consent of their Housemaster or Housemistress (HM) to leave the site. All pupils should be on site and engaged in academic work during lesson time unless they have their HM's permission to do otherwise.
- 2.3** Pupils should follow this procedure for leave of absence from any lesson or activity:

Framlingham

COLLEGE

- a. Request HM's permission for absence (except for music lessons).
 - b. Inform staff of planned absence, at least 24 hours in advance. Ideally, this should be done in person during the lesson or activity preceding the planned absence. If not, a polite email request is appropriate.
 - c. Find out about the work missed and catch it up within reasonable time.
- 2.4** If a pupil is absent or unaccounted for staff will put out an alert to Reception and to the House. Parents will be informed after a maximum period of one hour when a pupil has gone missing. Refer to the Missing Pupil Policy for further details.
- 2.5** Pupils should not enter classrooms until instructed to do so by a member of the teaching staff.
- 2.6** Day pupils may remain in school after school Hours only with the permission of their HM.
- 2.7** Boarders must be on campus after 6:00pm unless they have their HM's permission, and be in their houses according to house lock-up times.
- 2.8** House handbooks should be consulted for specific house rules and expectations.

3. THE CAMPUS AND TOWN LEAVE

- 3.1** College Prefects only may be outside the precincts of the College during lesson times and then only in private study periods. Year 13 pupils only may go into town during lunch break. No other pupils are allowed into town during the formal part of the day (08:15am – 4:00pm), unless they have the specific permission from their HM, is on an organised outing, trip, or is going to an official appointment. This applies to day pupils as well as boarders.
- 3.2** The Senior School Bounds are defined as the School buildings; the playing fields; Inskips, Penny Farthings, TAC, the front and the Medical Centre.
- 3.3** Pupils must take care when crossing roads. No one should begin to cross until certain that the road is clear or that a cyclist or vehicle is going to stop or is already stationary. Pupils must not walk between cars when crossing a road, due to the potential danger of not being seen by oncoming drivers.
- 3.4** Town Leave, post 4pm is allowed as follows:
- Year 13:** Monday through Friday. Year 13 may also go to Town at lunchtime and return by 1.35pm.
- Year 12:** Monday, Thursday and Friday

3.6 All pupils are reminded that under no circumstances should they go out alone into unprotected areas, whether for jogging or other purposes.

Framlingham College life is busy, and pupils are expected to be organised in their time-keeping and preparation for lessons. Expectations are laid out clearly in the Classroom Expectations Document (Be ready to learn; Engage; Persevere; Reflect and Be a purposeful learner), published in every classroom.

- 4.1** Pupils are expected to be punctual for lessons and other commitments during the school day.
- 4.2** If a member of staff is more than 10 minutes late for a lesson or activity pupils are expected to contact the nearest member of staff to report the absence. Pupils should not go back to their houses during lesson time unless they have a timetabled study period.

- 4.4** Pupils should not be sent out of a class unless in exceptional circumstances. In such cases, the teacher must inform the Head of Department and the Head of Section and Housemaster/mistress as appropriate.

5. REWARDS AND SANCTIONS POLICY

Policies relating to Drugs and Substance misuse, alcohol, smoking, ICT abuse, bullying and theft are set out in other sections of the Rules and Expectations and are distinct from the Rewards and Sanctions policy.

5.1. Rewards policy

The aim of the rewards policy is to encourage every pupil to make the most of his or her talents and time at school. A system of school rewards can only work by building an informal culture of praise,

Framlingham

COLLEGE

encouragement and recognition. More important than any system of rewards, verbal praise must be the principal way in which pupils are encouraged, and encourage each other. Mutual support amongst the entire Framlingham College community forms the foundation of a positive mind-set. Subject teachers, tutors, HMs, Heads of Section and Heads of Departments also develop their own ways of encouraging and recognising pupils' achievements.

A few shared principles should be applied to the giving of Rewards:

- a. A balance should be sought in rewarding achievement, progress and effort.
- b. Consistency and objectivity must be applied at all times.
- c. Rewards should seek to encourage pupils who require extrinsic motivation as well as recognising those who are intrinsically motivated.
- d. Tutors are encouraged to use target setting as a means of encouraging the academic progress of their tutees, and to reward the achievement of targets appropriately.
- e. Demonstration of good manners, teamwork, and service should be recognised alongside academic and other total curriculum achievements.
- f. Rewards should be communicated as appropriate to relevant staff and parents.

Rewards and Sanctions are entered by teaching staff on iSAMS and the pupil, Tutor and HM are automatically informed.

Rewards:

Positives: These are awarded in Year 9 -11.

Staff may award Positives for work that is very good or for work that shows considerable improvement.

Positives can be awarded for all areas of College life where pupils are making a positive contribution. Good behaviour, improved attitude or acts of consideration and helpfulness should be entered into the iSAMS system under the pastoral category.

Plaudits: As above. These are awarded in Sixth Form

House Colours: For pupils who make a contribution to their House. Awarded by HMs at end of year House assemblies.

School Colours (Academic and Co-Curricular): For pupils who have excelled in Academic and Co-Curricular areas of School life. Awarded in the Sixth Form.

Framlingham

COLLEGE

Academic Teas: The Principal regularly hosts an Academic Tea and pupils are invited on the basis of excellent academic work and attitude during the term. The Deputy Head (Academic) asks Tutors to nominate worthy pupils for each event.

Academic Commendation: awarded by the Deputy Head (Academic), usually for exceptional Attitude Grades across a half term.

Head's Commendation: When a pupil has produced work of an exceptional standard (absolutely or for that pupil) **and** reflects sustained effort in a major assignment or examination such as a Mock Examination or End of Year Examination.

An exceptional accomplishment or deed in other aspects of College life.

Speech Day and Prize Giving: End of year prizes are given for excellence and service.

5.2 Sanctions Policy

Staff are asked to be mindful of the reasons that lie behind poor behaviour, when deciding upon a sanction. Staff are expected to use their judgement and common sense when dealing with an individual who has done something wrong.

There will be times when a conversation with the individual and then that individual's tutor, is all that is needed but to support staff, there is also a clear structure of sanctions that can be awarded if necessary.

The Head of Department is also there as a sounding board for a member of staff who needs guidance as to how to deal with an individual. It is sometimes better to take time to reflect on the most suitable sanction rather than making a snap decision and staff are encouraged to do this.

Before sanctions are applied, pupils can expect to be given a warning to correct their behaviour or meet a reasonable expectation. If the warning is ignored, the pupil should expect to be given a sanction according to the policy. The sanction is also a warning and a deterrent to further misconduct.

Sanctions

Pupils who do not submit Prep on time and without a valid reason will be awarded a Negative with an Academic Detention awarded if the work is not submitted by 9am the following school day.

Negatives: At the discretion of the teacher, a Negative (Poor Behaviour or Poor work/Not Done) may be given (via iSAMS) for minor misdemeanours such as late/incomplete work or poor classroom behaviour. Concerns are issued for Sixth Form pupils.

Framlingham

COLLEGE

Concerns: As above. These are awarded in the Sixth Form

School Detention: Further misdemeanours lead to a School Detention which takes place on Tuesday (Years 9 & 10) and Thursday (Years 11 – 13) at 4.10pm.

Report Cards: are used to assist pupils who are struggling to meet the expectations of the Senior School. They are largely seen as a supportive measure, as opposed to an outright sanction.

- 1. Self-Appraisal Card (White)** is for those pupils who want to have their own measure of how they are performing. These are issued by either the Tutor, Head of Section or HM after discussion with the pupil. These are not to be seen as "punitive" but rather as a support mechanism.
- 2. Subject Report Card (Yellow)** is issued for subject specific under-performance. It is signed by the class teacher at the end of each lesson and then by the Head of Department at the end of the week. The card is then signed by the Tutor and handed to the Head of Section.
- 3. Tutor Report Card (Blue)** is issued by the Tutor if there is a general concern about two or more subjects (e.g. Inconsistent Attitude Grades) or a Subject Report Card is not leading to improved performance. This report needs to be signed by the Tutor on a daily basis and is handed to the Head of Section at the end of the week.
- 4. Head of Section Report Card (Green)** is issued if the Yellow and Blue Cards are not leading to an improved performance by the pupil. At this stage, parents will be contacted to inform them as to the strategies being put into place to support their son or daughter. This report needs to be shown to the Head of Section on a daily basis.
- 5. Senior Team Report Card (Orange)** is a very serious measure and will involve an interview with parents before the card is issued. It needs to be shown to the Senior Deputy Head or Deputy Head Academic on a daily basis.

In all cases, completed report cards should be placed in the pupil's house file.

The purpose of the Sanctions Policy is to provide a clear description as to how pupils are sanctioned for contravening the Rules & Expectations.

6.POLICY TO COUNTER BULLYING

The policy to counter bullying aims to:

- To maintain and drive a positive culture of kindness and consideration among all pupils and staff throughout the School.
- To deter bullying behaviour, detect it when it occurs, and deal with it by counselling and/or disciplinary sanctions and, if necessary, by expulsion. It is important to note that the College's response to bullying does not start at the point at which a child has been bullied.
- To create an ethos in the College where pupils treat each other and staff with respect because they are aware of the correct way to behave.
- To create an inclusive environment where all pupils can discuss the cause of their bullying.
- To create a community which recognises that all forms of bullying are wrong and that it is everybody's responsibility.

For further detail, please refer to the Anti-Bullying Policy on the Website.

7.PERSONAL RELATIONSHIPS

Open hearted friendliness is encouraged as being at the centre of a good community.

The guiding principle on personal relationships for the whole community must be respect for others at all times. This includes respecting those who have different values and opinions and trying to do to others as we would have done to ourselves.

There will be times when a pupil behaves in a very unkind way towards another. This does not equate to bullying. Rather it might be a one-off, ill-judged decision to behave in an unkind, mean or thoughtless way, with little or no regard for the consequences and impact on the other person. In situations like these, the behaviour will be sanctioned appropriately and robustly by the Senior Deputy Head in conjunction with the Head. As is stated at the beginning of this section, the Head

Framlingham

COLLEGE

may suspend or exclude pupils whom are deemed to have been in serious breach of the letter or spirit of the Rules and Expectations.

7.1 Anti-Discrimination

It is the policy of the school to ensure equitable treatment for all, rejection of discrimination on any grounds and a positive attitude to a pluralist community. The school recognises and accepts racial, religious and cultural differences amongst the pupils and staff at all levels. To this end individual worship requirements may be arranged alongside routine attendance at Chapel.

The policy of the school is that discrimination on the grounds of age, disability, gender reassignment, race, religion or belief, sex, sexual orientation, marriage and civil partnership, pregnancy and maternity, class, academic or sporting ability is not acceptable and will be treated seriously and dealt with appropriately.

7.2 Sexual relationships

An important aspect of a co-educational education is for boys and girls to learn to live and work together in a natural and respectful way. Any form of sexism is discouraged, as are excessive displays of affection in public. Sexual relationships between pupils are forbidden in any circumstances and those who overstep the boundaries can expect to be given a severe sanction.

8. DRESS REGULATIONS AND APPEARANCE

Personal Appearance

Pupils are expected to present a good impression at all times and their clothing, behaviour and demeanour are important ingredients in achieving this. The overall impression must be smart and modest. **The College reserves the right to interpret what is and is not appropriate uniform.**

The prescribed uniform must be worn by all pupils during the formal part of each working day (weekdays: 08:15 - 15:55, Saturday: 08:15 - 14:15/after games) and when representing the College away from school on sporting fixtures or at official functions.

Pupils are encouraged to adopt a sensible attitude towards alcohol. The effect on health of alcohol and its social implications are taught and discussed. Help and advice is also available through the school's medical centre and the school's counselling service.

The consumption of alcohol by pupils in years 9, 10 and 11 at school or on School trips is forbidden.

No pupils are permitted to bring alcohol onto campus or to keep alcohol in their possession at school.

COLLEGE

If alcohol is served at a school event, it must be only to pupils in the Sixth Form, with a meal, served and supervised by staff and limited to a maximum of 2 glasses of wine or beer per pupil. There must be no unrestricted access to a bar, even if pupils are over 18. No spirits will be served at any time.

The over-riding importance is that pupils feel able to inform staff immediately at any time when they encounter another pupil who has consumed too much alcohol. In this way the pupil concerned will be safe and can be cared for by qualified medical staff.

Pubs and restaurants

- a. Pupils may be accompanied to a restaurant by staff for tutor group meals, society outings or team dinners. However, the policy, as outlined above applies.

A maximum of 10 pupils will be allowed from across the Houses. It is vital that pupils find the time to study prior to going out. All Year 13 pupils will be limited to two evening meals per term. Pupils who wish to organise a meal must seek permission from their HM no later than the previous Friday. However, the policy, as outlined above applies.
- c. Staff discovering under-age pupils drinking in a licensed premise should take the names of all those present, escort them out of the licensed premise and send them back to House. In all cases, day or boarding, the pupils should be reported to their HM.
- d. If the incident takes place during school time or at school organised events then all offenders will be dealt with according to the school rules. If Day pupils are caught outside normal school hours their parents will be telephoned by the HM concerned.
- e. Sixth Form Boarders may visit licensed premises in Framlingham on Saturday evenings with permission from their HM. Those over 18 may purchase and consume alcohol. Drunkenness and poor behaviour will lead to sanctions. No spirits may be purchased or consumed. Those under 18 must carry identification with them confirming their age and they may not purchase or consume alcohol. Offenders will be reported to their HM and will be dealt with under the school rules. Smoking is not permitted in any circumstances.

- g. With the exception of (e), all Public Houses are out of bounds to all pupils at all times. If parents wish to take their sons or daughters to a Public House, this is permissible, as long as HMs are aware and are happy with the arrangement.

13. SMOKING

It is a breach of the College Rules for pupils to smoke cigarettes and other tobacco products (including e-cigarettes and vaping sticks).

The aim of the College is to deal with offenders in a simple, direct manner, which does not become a barrier to normal relationships and which offers positive help for those who are addicted to the habit. The effects on health of smoking and vaping will be taught and discussed as part of the curriculum in the PSHE course and during tutorials.

Sanctions are used with “Quit Smoking” kits and medical advice as appropriate. The Medical Centre is on hand to offer advice and refer pupils to the Pharmacy to sign up to the Quit Smoking programme. All pupils who are interested in quitting and all pupils caught will be offered this as a way to help them give up, with a strong recommendation to persistent offenders.

Pupils found in possession of smoking paraphernalia, including vaping equipment will be sanctioned as below. Pupils who are found with peers who are smoking are likely to be dealt with in a similar manner.

Sixth Form pupils caught smoking with Yr 9-11 pupils, or encouraging or enabling them to smoke (by supplying cigarettes or vaping equipment), can expect particularly serious consequences; smoking and vaping inside School buildings will also be viewed as a particularly serious offence and either of these instances could lead to a suspension.

Smoking sanctions are as follows for Year 9 -11:

The Quit Smoking programme on offer via the Medical Centre will be strongly recommended.

1st offence:

Phone call to parents from the HM indicating that the Senior Deputy Head will be informed and will see the pupil.

Head’s Detention

2nd Offence:

Phone call to parents from the Senior Deputy Head indicating that the Principal will be informed and will see the pupil.

Repeat offenders may endanger their place at the Senior School.

14. THEFT

Theft is defined as the taking of any personal property without the owner's permission, regardless of monetary value. Because it damages the assumption of trust within the school community, the School encourages responsible protection of property and takes strong action against thieves.

Pupils are encouraged to:

- a. Lock valuables in secure personal areas e.g. drawers, lockers.
- b. Mark valuable possessions to identify by name.

Framlingham

COLLEGE

- c. Report instances of theft promptly to the HM.
- d. Be self-disciplined in respecting other pupils' property.

Personal property is brought into the School entirely at the owner's risk and should be insured under home contents insurance. The School will not make a claim on its insurance for pupils' personal property.

The School may use detection devices to catch thieves, and may also call in the police to assist with conducting detection. Any pupil caught stealing is likely to be asked to leave the School.

15. OFFENSIVE WEAPONS

An offensive weapon includes an article made for causing injury (such as a knife, blade or gun), an article adapted for causing injury (such as a broken bottle) or an article carried for the purpose of causing injury (such as baseball bat, armour rings, knuckledusters).

Unless being supervised by a teacher, pupils must not be in possession of any form of offensive weapon, including pen knives. Where an offensive weapon such as a pen knife/axe is being used for legitimate school activities it will be provided and retained by the school.

Pupils found to be carrying an offensive weapon will have it confiscated and disposed of at the HM's discretion. Punishment will be decided according to the schools Rewards and Sanctions policy.

16. DISCIPLINARY INTERVIEWS, SEARCHES AND CONFISCATION

16.1 Disciplinary interviews with pupils

- a. Interviews should always be conducted in such a way that pupils are given a fair opportunity to give their account before a judgement is reached.
- b. In sensitive cases, notes should be taken of the meeting, and kept on file.
- c. Investigating serious disciplinary matters relating to pupils may require additional witnesses or support; in such cases, the pupil should be offered the choice of a witness, who should be either an adult or a senior pupil.

16.2 Searches (in relation to searching pupil's rooms)

Framlingham

COLLEGE

- a. Searches may be conducted to find a stolen, missing or unauthorised item. Only the HM or member of the SLT may authorise a search; the search will be for a particular item, not as a general search of a pupil's belongings.
- b. Where possible, the pupil is to be present while his/her possessions are being searched.
- c. If the sought item is illegal or dangerous the police may be called to carry out or assist with the search.

16.3 Confiscation

- a. From time to time pupils will breach school regulations in such a way that items of their private property will need to be confiscated.
- b. Once an item has been confiscated, it will be put into a labelled bag and passed to the pupil's HM. The details of the item are recorded by the HM.
- c. Once an item is confiscated the school undertakes to ensure that it is kept safe and in the condition in which it was removed.
- d. The duration of the confiscation period depends upon the item confiscated and the offence. Confiscated items given to the HM can normally be collected within 48 hours.

17. ICT AND INTERNET USAGE POLICY

By logging on to the Framlingham College network pupils signify their acceptance of the ICT and Internet Usage Policy (available on Firefly) and pupils are encouraged to seek clarification of any issues that they do not understand.

17.1 Computing Facilities

Users are encouraged to make use of the school's computing facilities for educational purposes. All users are expected to act responsibly and to show consideration to others.

17.2 Use of Technology

Technology that can be used to store, transmit or manipulate data, such as media rich phones, MP3 players, Personal Digital Assistants (PDAs) and USB media, should be used responsibly and in accordance with the ICT and Internet Usage Policy, even when not used with school equipment.

17.3 Account Security

Framlingham

COLLEGE

Users are responsible for the protection of their own network account and should not divulge passwords to anybody. Users should not logon to or use any account other than their own and should logoff when leaving a workstation, even for just a short period of time.

17.4 Internet Access

The school's Internet service is filtered to prevent access to inappropriate content and to maintain the integrity of the computer systems. Users should be aware that the school logs all Internet use.

17.5 Email

Pupils need to be aware that e-mail carries exactly the same status as other forms of communication, including letters, memos and telephone conversations, and the same consideration and legal implications need to be applied and observed in the use of email as in these other forms of communication.

17.6 Privately Owned Computers

Personal laptops and desktops are allowed to be connected to the school network. They are subject to the ICT Usage and Internet Policy.

17.7 Disciplinary Procedures

Those who misuse the computer facilities and break the ICT Usage and Internet Policy will be subject to disciplinary procedures.

18. MOBILE PHONE POLICY

We continue to be concerned about the huge amount of time spent on mobile phones, both in one's own time and throughout the working day, and the potentially negative impact of this on our lives and our wellbeing (including sleep deprivation). These concerns have recently been fully reinforced through empirical evidence and the policy below is an important step to help manage the pressures that arise with excess screen time.

Mobile phones should not be used at any stage in the Dining Hall (inc. Annexe) during meal times.

Mobile phones are not to be used while walking around the Campus.

Pupils can use their mobile phones during the informal part of the day as per the guidelines below.

Years 9, 10 & 11

Pupils should leave their phones in their dorms throughout the academic school day (8:15am – 3:55pm). Pupils may access their phones freely when in house (e.g. break and after lunch/lessons).

Framlingham

COLLEGE

Phones will be taken in at bedtime and returned the following morning.

If a pupil is found to be carrying their phone or using their phone inappropriately during a lesson, around school or in the Dining Hall, the teacher will follow the following procedure:

1. Confiscate the phone from the pupil; inform the pupil that they can collect their phone from Reception from 5:00pm – 5:30 pm (Mon – Fri) and from 12:10pm – 12:30pm (Sat).
2. The pupils can then go to Reception between 5:00pm – 5:30pm during the week and 12:10pm – 12:30pm on Saturday and collect their phone. The pupil will sign the book indicating that they have collected the phone.
3. Reception will email HMs each day to inform them who has had their phone confiscated on that day. HMs will manage repeat offenders.

Sixth Form

Years 12 & 13 are allowed to carry their phones on them during the School day and are asked to use them as per the guidelines above in bold. These are such times when they are in between lessons and in the SFC or Café.

If a Sixth Form pupil is using their phone inappropriately during a lesson, around school or in the Dining Hall, the teacher will follow the following procedure:

1. Confiscate the phone from the pupil; inform the pupil that they can collect their phone from Reception from 5:00pm – 5:30 pm (Mon – Fri) and from 12:10pm – 12:30pm (Sat).
2. The pupils can then go to Reception between 5:00pm – 5:30pm during the week and 12:10pm – 12:30pm on Saturday and collect their phone. The pupil will sign the book indicating that they have collected the phone.
3. Reception will email HMs each day to inform them who has had their phone confiscated on that day. HMs will manage repeat offenders.

19. PUPILS COMPLAINTS PROCEDURE

No pupil should be afraid to complain. It is the pupils' right to be treated properly and their right to complain if they think they are not being treated fairly.

All staff should be open to, and receptive of, a complaint from a pupil.

All staff should be aware that a pupil may bring a "friend" with them to help them make their complaint. This may be a fellow, or older pupil, a parent or a member of staff.

All staff should refer this complaint to a Senior colleague as soon as possible who will investigate that complaint. If the complaint involves a serious allegation or a matter of gross misconduct then it should be reported directly and immediately to one of the following; the Principal, the Senior Deputy Head

Framlingham

COLLEGE

or the DSL for any Safeguarding concerns.

The member of staff investigating the complaint should report his/her findings directly to the pupil. If the pupil is unhappy with the decision regarding his/her complaint, a formal complaint must then be made.

How a pupil can make a formal complaint

Write to any member of staff telling him/her that the pupil wishes to make a formal complaint and outlining the nature of the complaint. This will usually be their HM of a member of the SMT.

The member of staff receiving the complaint will pass the complaint to the Principal and both the details and outcome will be recorded in a Complaints File in her office. A copy of the concern will also be kept in the pupil's file.

The pupil will receive a note from the Principal or Senior Deputy Head saying that the complaint has been noted and is being attended to, within two school days of the complaint being logged.

The pupil will then be asked to discuss the matter with the SDH or the Principal together with a "friend" if required.

If the pupil is still unhappy with the School's response then a representation may be made to the Chairman of Governors or to one of those representing outside organisations such as the Local Safeguarding Children Board (LSCB) or Childline.

Whoever is contacted will speak to the pupil at the school and will advise him/her on what course seems sensible. The pupil will then have to make a decision, acting on the advice given.

N.B. No pupil has to inform staff or anyone else that he/she is complaining about them.
