WHERE EVERY PUPIL CREATES THEIR OWN STORY

As an employer with more than 250 employees, Framlingham College is required by the Equality Act 2010 (Gender Pay Gap Information) Regulations 2017 to publish certain specified salary information.

Key to Terminology

- Median pay gap (the difference between the mid-points in the range of men's and women's pay).
- The proportion of men and women paid in each pay quartile.
- Information on bonus payments is also required.

This report covers information as at 05 April 2022.

Pay Quartiles

60% of all staff are female.

Many of the roles in the lower quartile are domestic and catering roles which are predominantly filled by female employees due to the flexibility of schools and term time working. We have a job evaluation scheme and staff pay scales in place to ensure all staff are rewarded at an appropriate level for the work they do.

I am delighted to report that our pay gap has decreased over the last two years.

This is mainly due to more woman in senior positions throughout the school. 46% of College SLT roles are held by women, which is an increase of 4% from 2021.
