Boarding Fees for UK Based Pupils

Our priority for pupils who are full or weekly boarding is to ensure they feel at home here. We facilitate this by offering every pupil who boards a reserved bed each night during term time. We also offer occasional boarding, where pupils have the option to stay over whenever there is an activity they want to join in with or whenever it suits them and their parents. It's about offering our pupils every flexibility to enjoy the school facilities and activities once the school day is finished. While priority is naturally given to full boarders, we will do our best to accommodate any last-minute request to stay over from occasional/flexi boarders.

Termly fees are normally paid in four monthly direct debit instalments each term. The monthly instalments are collected on the 15th of the month, or the next working day should this fall on a weekend or bank holiday.

- Autumn Term fees – collected in September, October, November & December;
- Spring Term fees – collected in January, February, March & April;
- Summer Term fees – collected in May, June, July & August.

Alternatively, fees may be paid in full on or before the first day of each term for which they are due. Bank payment or cheque payment is accepted. Governors reserve the right to refuse admission to a pupil or to require the withdrawal of an existing pupil whose fees are not paid in accordance with the Parent Contract.

Bank details for the transfer of fees, or the payment of a Registration fee or deposit can be found by [clicking here](#).

Extras incurred by pupils during the term are invoiced at the end of the relevant term. These invoices are due on receipt and are not collected through direct debit. Bank payment or cheque payment is accepted.

A full term's notice is required for the withdrawal of a pupil, change of status, or discontinuation of an optional extra. A full term's fees, or the charge for the optional extra, is payable unless such notice has been given. Please see the Parent Contract for full details of notice periods.
