# Garrett House

## From the HM...

What an incredible whirlwind of a term it has been! Another fantastic chapter in the Garrett House story comes to a close, and what a way to finish, with glorious sunshine to match the energy and enthusiasm of our boys! From start to finish, the boys have been outstanding, throwing themselves wholeheartedly into every challenge and opportunity. The inter-House competitions were brimming with passion and talent; our House Recitation saw Edgar and Seb captivate audiences with their readings, while Kit, Justin, and Oleh gave a valiant effort in the House Debating competition, tackling the ever-fascinating topic of space exploration. Though the judges weren't swayed, their preparation and dedication were second to none.

Sporting spirit was alive and well, with Garrett House giving their all in Senior House Hockey and finishing the term with a brilliant effort in House Cross Country. A huge well done to every single participant; your determination and teamwork were inspiring.

Amidst all the excitement, our boys have remained focused as they gear up for the all-important exam season. Year 13 tackled their Mock Exams with resilience and now turn their attention to the final ones after the Easter break. Year 10 will also step up for their own exams. With study leave approaching for Years 11 and 13, and Mock Exams on the horizon for Year 9 and 12, the dedication and hard work we've seen in evening prep have been truly commendable. The quiet, focused environment has been a testament to the boys' commitment, and I couldn't be more impressed.

On the academic front, our attitude grades this term have been fantastic! Many of our boys achieved 'highly motivated'—a reflection of the ambition and drive we aspire to see in Garrett House. For those striving for that next step up, now is the perfect time for reflection: Can you contribute more in class? Can you push yourself just that little bit further? A little extra reading, revision, or focus could make all the difference.

Beyond academics, Garrett House made a huge impact at the Cabaret, showcasing the incredible talent within our ranks. It was a spectacular event, and seeing so many of our boys shine on stage was a proud moment for all.

Looking ahead to the Summer term, there's plenty to be excited about. The next generation of leaders will be stepping up to apply for school and House prefect roles, while we prepare to bid a heartfelt thank you to our Year 13s for their dedication and leadership. And, of course, some of the biggest House events of the year are on the horizon—House Dance, the Junior Play, and the ever-thrilling House Cricket. The boys are already buzzing with anticipation, and we can't wait to see what they achieve next.

Garrett Boys — enjoy a well-earned break, and we'll see you back, ready to make the Summer term just as spectacular!
