COLLEGE

WHERE EVERY PUPIL CREATES THEIR OWN STORY

Using the Bus Service

- All parents with children wanting to use the Bus Service will need to book journeys to and from the College. Bookings **are not** carried forward from the previous academic year.
- The Shuttle Service to the Prep School **must** be booked for mornings and afternoons.
- Due to increased requirements this year for home/school transport and to ensure availability, parents will need to be diligent in booking their requirements accurately.
- If, when booking, no spaces are available, please contact the Transport Department and we will endeavour to fulfil your request.

- Please ensure that booked places are deleted when/if they are no longer required, as repeated no-shows may be charged.
- Any last-minute alterations to bookings which cannot be made via the Student Safe app, please contact the Transport Manager.
- Due to the constraints of journey planning, when booking, inbound and outbound journeys may be on different routes. For any issues, please contact the Transport Manager.

AT FRAMLINGHAM COLLEGE WE CELEBRATE EVERY INDIVIDUAL.

THERE IS NO TYPICAL FRAMLINGHAMIAN, NO SINGULAR PATH THAT WE TAKE.

We are academics, actors, musicians, expeditioners, sports people, innovators, scientists, ruminators, decision makers, story tellers, teammates, artists, fun lovers, nurturers and thought provokers.

Often, we are many things within one.

But we are all individual, each with our own story.
